

# Anticipating the New Fall '95 Students

Gary Sands

The BIOEN Department received a record number of scholarship applications for the upcoming academic year and indications are that the quality of the applicants is also on the rise.

The department anticipates the arrival of many new faces this Fall, six of whom were awarded freshman/transfer scholarships: five were awarded to incoming freshman, and one to a transfer student.

The department congratulates the following scholarship winners: **Carley Washmon** (Woodward, OK), **Jeffrey Waugh** (Rosston, OK), **Laura Loesch** (Covington,

OK), **Carl Stengel** (Ratcliff, AR), **Christopher Chastain** (Wetumka, OK), and **Richard Willoughby** (Miami, OK).

We also anticipate the arrival of **Shellie Miller** and **Joshua Peck** who were among the list of alternates for a scholarship award. Enrollment data indicates that the department can also look forward this Fall to meeting **Michael Nitzel**, **John Page**, **Ben Drew**, **Curtis Washburn**, and **Cyndi Harrison**.

We wish all of our new students the very best of luck as they begin their Biosystems Engineering studies at OSU!

**BIOEN Update** is published each semester by the Department of Biosystems and Agricultural Engineering at Oklahoma State University. This newsletter informs alumni and prospective students of our activities.

We invite you to submit questions, comments, articles, or ideas to:
